AN ANNUAL REPORT FOR JULY 1, 2012 – JUNE 30, 2013  
AND A YEAR IN REVIEW FOR CALENDAR YEAR 2013

## MESSAGE *from the* CHAIRMAN *and* CEO

Celebrate the Gifts! It is a fitting theme for this Annual Report, just as it is a fitting theme for the past year in the life of Redstone Highlands. The year will long be remembered as one in which many milestones were achieved. Chief among these accomplishments was the successful refinance of Redstone's debt. With our previous financing set to expire in 2014, we learned that the bank that was financing our debt was looking to leave the senior care industry. Because of our strength, Redstone was able to secure a new fixed-rate eight-year commitment, financed 100% by three banks: Huntington, S&T, and First Niagara. Because this refinance was executed in a favorable rate environment, it will provide long-term financial stability for Redstone and an expected savings of \$700,000 per year in interest fees.

Our affiliate organization, Senior Independence of Southwestern Pennsylvania (SI), continues to grow and provide increased services to Redstone residents and those in the broader community. SI received its hospice license in 2013 and is providing quality end-of-life care to residents and families in need of these services. Additionally, home health and home care provided by SI make it possible for our residents to "age in place," often resulting in financial savings and increased quality of life for residents and their families. For the first time, SI witnessed 30 home health admissions in just one month's time, and revenue rose to over 1 million dollars.

Occupancy rates throughout our Redstone communities also improved during 2013 with an average daily rate of 94% compared to the industry average of 89%. Maintaining a high level of occupancy is critical to Redstone's financial success and enables us to minimize rate increases that must be passed on to residents when occupancy rates fall. The past fiscal year saw three existing villas occupied or re-occupied, the construction and move-in of one new villa home, and the construction start of another villa home at Redstone Colonial Estates in North Huntingdon. Veranda Apartments (Independent Living) welcomed 71 new residents, and 26 persons moved into Courtyard and Terrace Units (Supportive and Memory care) across our three campuses.

The pace in Redstone's Harbor (Skilled Nursing Facility) at our Greensburg campus continues to increase. The past fiscal year brought 329 admissions and 307 discharges to this 77-bed facility. Improved communications through electronic medical records and stronger collaboration with our local hospitals and physician practices successfully reduced hospital readmission rates from 31% to 8.8% in 2013.

Redstone's commitment to capital improvements also continues. Enhancements made during the past year include the construction of a Highlanders Gathering Space in North Huntingdon, improvements to the elevators in Greensburg, and the purchase of new carpeting in Murrysville. All campuses received technology upgrades and new security cameras. These and other projects were part of the \$1.7 million capital budget. As we move along in 2014, we look forward to construction on the first phase of improvements resulting from gifts to Redstone's Promises Kept Campaign. Planned enhancements to the public spaces of the Harbor in Greensburg will be underway soon.

We are grateful to you for your continued support which makes all that we are able to do possible. Our commitment to being the premier provider of aging services to this region is unwavering.

## OVERVIEW

# 837

Redstone Highlands  
served 837 seniors  
during the  
2013 fiscal year.

# 277

277 volunteers  
helped to enhance  
the lives of residents.

# 425

425 total people  
were employed at  
Redstone during  
this fiscal year.

# 860

860 generous souls  
made donations  
in support of the  
mission and vision  
at Redstone Highlands.

## OUR CORE VALUES

Truth  
Teamwork  
Respect For All  
Quality  
Life Balance  
Lifelong Learning

## Our Mission Statement

Redstone Presbyterian SeniorCare is a Christian, non-profit organization open to all faiths, that is dedicated to providing living alternatives and high quality services that help to meet the changing needs of the community.

## Our Vision Statement

Redstone Highlands will be recognized as the premier provider of dynamic senior care services and programs in its service area. Redstone Highlands will earn this position of trust and respect by consistent achievement of financially viable, well-managed facilities and services that insure high quality, healthy and caring environments in which to live, work and volunteer.

## 2013 CHAIRMAN'S AWARDEE

**“Redstone felt like home from the day I moved in,” says Jean George.**

Jean resides at our Greensburg campus and is no stranger to its staff and residents. Before she decided to call Redstone her home, Jean lived a wonderful life in Greensburg, PA. She was born on October 9, 1929 and is the youngest child of her late parents, Edward and Mary Robb of Greensburg.

While in high school, Jean met a young man named Robert, and they wed in 1951. Robert joined the navy, and Jean traveled with him for the next few years. While they resided in California, Jean and Robert were blessed with two beautiful daughters, Anne and Mary. However,

not long after her children were born, Jean found herself a single parent. She decided to move back in with her parents and gained the courage she needed to join the work force. Jean began work at First National Bank as a secretary and was later promoted to Assistant Vice President of the Trust Department, a position she held until her retirement in 1982. While she worked at the bank, Jean met John George. They married in 1983.

Jean and John lived a happy life together in Greensburg and loved traveling to Canada every summer. After they were both retired, the couple decided they wanted to move into Redstone, but unfortunately John was diagnosed with cancer and passed away in 1995. Although it was a difficult step for her, Jean still decided to make Redstone her home and moved in on July 29, 1999 without even seeing her apartment.

Prior to coming to Redstone as a resident, Jean volunteered at the Greensburg campus and continues to be an active member of its campus community today. She calls Bingo and Pokeno weekly and provides get well cards for others to sign and send when their fellow residents are hospitalized. She has also served on the Spirit of Giving Gala Committee and is a current member of the Strategy Committee.

*Jean is a special gift to the Redstone community, and we are proud to have her as one of our residents! She has also been a generous financial supporter of Benevolent Care.*

## REDSTONE'S LONGEST TENURED EMPLOYEE

**In January 1980, a young woman named Karen Stock was hired**

into the Activities Department at the Greensburg Home of the Redstone Presbytery. The Steelers had just won the Super Bowl, and Karen had recently made Pennsylvania her home. She found her purpose and mission of life when she began working at Redstone.

Karen found it to be very comfortable, fun, challenging, and gratifying to be a part of this community. Karen has always had a special bond with the

elderly. Continuing to see their beauty, being able to provide a laugh, sharing a memory, and making new ones are her favorite aspects of her career. Whether it means holding someone's hand or being there when their journey is ending, Karen will stay with her residents through the good times and the bad. Karen's coworker for many years, Brenda Sobota, had these kind words to say about her, "She is simply a gift to Redstone. I always think about how Karen can maintain the ability to be committed and continue to care so much after so many years. She is unflagging in her commitment of serving the people here. She is the continuing dedication of quality that we can offer to our staff. She is very talented and we are blessed to have such an amazing person like Karen."

**“It has been my good fortune to have met so many residents on their life's journey...**

It is a privilege to work here, where lives intertwine to benefit all in love, peace, mutual trust, and understanding. I have truly been blessed over these past 34 years, and I take a degree of satisfaction in the sure knowledge that my presence has made a difference in so many lives," Karen explains.

*Karen, throughout your 34 years of employment with us, you have been and continue to be an amazing gift to Redstone Highlands Communities. Thank you for your never-ending commitment and the gifts that you bring to our residents, staff, friends, and families every day.*

# CELEBRATE *the* GIFTS:

## *Redstone Gives Back in a Variety of Ways*

### Christmas Open House

*In December 2013, the Greensburg campus held a wonderful Christmas Open House for friends, family, employees, and residents.*

As a non-profit organization, Redstone's responsibility to serve the larger good is one that is taken seriously. During the past fiscal year, Redstone has provided care and service in a variety of ways.

Redstone's commitment to providing Benevolent Care to residents in need is central to our non-profit commitment. When through no fault of his or her own a resident's personal financial assets are depleted, Redstone continues to

provide a home for life for that resident. Last year, Redstone provided nearly \$2.5 million in free care to residents in need.

Benevolent Care is provided for residents in two distinct categories. Direct Benevolent Care is provided to those residents living in Independent and Supportive levels of care on our Redstone campuses.

This assistance comes in the form of a reduced monthly service charge based on the resident's current ability to pay. Indirect Benevolent Care is provided to residents

in the Harbor (Skilled Nursing Facility) in Greensburg.

When residents are unable to pay the private pay daily rate, the difference between the reimbursement paid by Medicaid and the full cost of care is forgiven.

In addition to providing care for those in need within our Redstone communities, our residents and employees are committed to serving the needs of the larger community too. Through the "Redstone Gives" program, residents and staff members work together to raise funds for several selected charities. In 2013, our charities of choice included the American Heart Association, American Cancer Society, the Alzheimer's Association, the Westmoreland County Food Bank, and the Humane Society of

Westmoreland County. Bingos, bake sales, daffodil sales, and other activities raise money for these charities. In addition, employees pay \$1.00 to one of these charities every Friday in exchange for the privilege of wearing jeans to work. Two food drives annually collect hundreds of items for the Westmoreland County Food Bank. During the 2012-2013 fiscal year, over \$7,600 in support (along with food items) were raised for these community charities.

Redstone has also forged a relationship with the Brother's Brother Foundation in Pittsburgh. As an example, Redstone recently replaced a number of old-style mechanical beds with beds that have electric controls. Brother's Brother is happy to come to collect the old beds, and through their efforts ships them to countries where these beds are much-needed. Over the past year, Redstone has made a number of donations of furnishings and medical equipment which Brother's Brother has used in its healthcare ministries around the world.

Opening our doors to the community is another cornerstone of the Redstone commitment to service. Many outside groups enjoy hosting events in Redstone facilities. Highlights this year included an art exhibition by a local high school student, monthly retirees clubs, card clubs, art clubs, etc. Additional clubs, programs, and fitness opportunities are open to the public and help Redstone serve the community in creative ways.

## Culinary C.A.R.E. Program

*Redstone employees accepted into the Redstone Culinary C.A.R.E. program learning new skills (all food was for training purposes only).*

Redstone's commitment to education is another way in which we serve the larger community. Each year, Redstone conducts classes that prepare participants to become Certified Nursing Assistants (CNA). This often leads to a full-time career and job stability for those desiring to enter the healthcare workforce. Many Redstone employees take advantage of a tuition reimbursement program which allows them to advance their education in ways that might not otherwise be affordable. In cooperation with Goodwill Industries of Southwestern Pennsylvania, Redstone participates in the "Transition WORKS!" program which allows qualified high school students to work with a job coach to prepare for a transition into the workforce. Redstone continually offers its leaders ongoing educational opportunities related to management. CPR and First Responder classes prepare our employees to handle emergencies on our campuses and have also created community servants better equipped to assist others in emergency situations.

A commitment to volunteerism provides an additional element of Redstone's community service. Where would we be without the hundreds of volunteers who work in

our gift shops, visit residents, lead worship, bring pets for pet therapy, assist with activities and transportation, etc. These hours of community service impact the lives of our residents in many ways. We are especially grateful for the community leaders who give very freely of their time and knowledge by serving as members of our Board of Directors and on a variety of committees. In addition, nurtured in Redstone's core values, our employees are active in the local community in a myriad of ways as scout leaders, Sunday school teachers, school volunteers, Habitat for Humanity builders, choir members, mission volunteers, etc. The commitment of our employees to care and serve extends in broad ripples throughout the region. Last, but certainly not least, Redstone's economic impact on the region is significant. Approximately 90% of our employees live in Westmoreland County, adding significant dollars to the economy

## The Norwin Art League

*The Norwin Art League displayed art work from 100 artists from September 4-8, 2013 at the Redstone Colonial Estates.*

with their buying power and through taxes paid to local municipalities. Through generous programs of Benevolent Care, support of external charities, utilization of facilities, commitment to a variety of educational programs, a dedicated corps of volunteers both within and outside of the Redstone walls, and a strong base of employees who live in this region, we live out our commitment to care and service. Thank you for all that YOU do to make our work possible!

# 2013

## OUR YEAR *in* REVIEW

**1** Bernie and Joan (Megrey) Haertjens, both residents of Redstone Highlands Greensburg, were married on October 19, 2013. They wanted to share their special day with their friends at Redstone Highlands so the Dining Services staff held a wedding reception for them at the Greensburg campus on November 7, 2013. Congratulations Bernie and Joan!

**2** A group of Redstone staff members and other friends of Redstone Highlands enjoyed a bus trip to New York City in September 2013. The Fund Development staff organized this wonderful trip to the Big Apple to raise funds for Benevolent Care at Redstone. The weekend getaway included amazing shows, restaurants, and other fun!

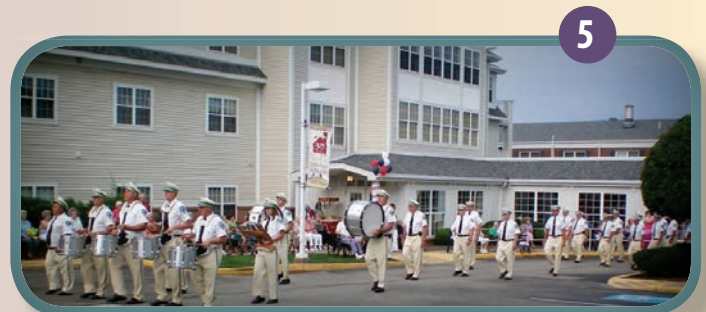

**3** Redstone staff members Brittany McGuire and Julie Weishorn took a chance to "pilot" the fighter jet prop at the 2013 Big Event. The Big Event is held on each of our Redstone campuses in the springtime. Every year the theme is kept secret until invitations are distributed to residents. The theme for the 2013 event was a World War II era USO show that included live entertainment, food, and games.

**4** Redstone Gives hosted a "Go Orange for Hunger" food drive in October 2013. Over \$1,000 were raised from this and other food drives held throughout the year, and all proceeds benefited the Westmoreland County Food Bank.

**5** Members from the community enjoyed the Annual Parade on August 22, 2013. The parade marches through the Greensburg Campus while residents, staff, family members, and friends line the pathway to enjoy the sights and sounds.

**6** Our Murrysville Community celebrated the Naturalization of Dietary Manager Nicky Heller. This was a special moment for Nicky and her family, and she decided to share it with her extended family here at Redstone Highlands. Nicky was born in the United Kingdom and came to the United States when she was in second grade. It has always been a dream of hers to officially become a US citizen. This dream finally came true on July 30, 2013. Congratulations to Nicky! We were honored to have shared this special day with her.

**7** Two of our three campuses welcomed "Highlanders" this year. Highlanders is a social area where residents, family, and friends can come to gather. Highlanders opened in Murrysville on March 16, 2013 and in North Huntingdon on August 23, 2013.

**8** Residents and staff of the Murrysville campus teamed up with the Murrysville Police Department to host a Drug Take-Back Day in conjunction with the Westmoreland County Drug Take-Back Day in April 2013. Chief of Police Thomas Seefeld and his Deputy collected pills from residents for safe disposal.

**9** Redstone Highlands employees and residents participated in Homecoming festivities in May 2013. This fun week is endorsed and encouraged by Leading Age, an association of not-for-profit organizations dedicated to making America a better place to grow old. Leading Age invites organizations like Redstone to host events and activities on our campuses during the last week of May. These celebrations are an opportunity to highlight the positive contributions that Redstone makes to our surrounding communities.

**10** Several Murrysville residents took a break from exercising to show support for their Senior FITNESS program. A variety of classes and opportunities are available to residents on each campus, including fitness classes, brain games, educational seminars, and nutritional counseling.

**11** On November 16, 2013, the 11th Annual Highlands Fling: Spirit of Giving Gala was hosted by Honorary Chair, Sally Wiggin. The event was held at the Greensburg Country Club and raised over \$60,000 for Benevolent Care. Raffle baskets, silent and live auction items, a trip for two to Sedona, Arizona, and \$1,000 cash were among the prizes that evening.

**12** Redstone employees enjoying the DOVE Recognition Banquet. The banquet was held for Redstone Highlands and Senior Independence employees at the Delmont Fire Hall on October 10, 2013. The event included dinner, prizes, and recognition of all the great things that our employees do day in and day out.

Dear Friends:

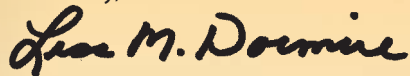

Every day is a special day in the Office of Fund Development. Rarely does a day go by that we do not receive at least one envelope containing a gift. Some days, the pile of envelopes is quite thick! And every gift, no matter what its size or form, is celebrated. Whenever we open an envelope containing a check, get emails notifying us that a gift has been made online, or learn of a generous bequest that has been made to Redstone, we celebrate that so many people want to support our residents.

Within the pages of this publication we celebrate many gifts: gifts of the people who make Redstone Highlands a very special place, the gifts of our residents whom we are privileged to serve, and the gifts of support that are offered so generously by our donors. Our promise to you is that we will use your gifts wisely and for the purpose intended—whether that is for Benevolent Care for residents in need, renovations to our facilities, staff appreciation programs, or other designations.

The needs here at Redstone continue to grow. Thanks to the long lives lived by many of our residents, the need for Benevolent Care for those who have outlived their personal financial resources is significant. Last year alone, Redstone provided nearly \$2.5 million in free care. Your gifts of annual support help to make this possible. We know that the renovations that we want to do in the Harbor Nursing Facility in Greensburg will improve the quality of life of our residents, their families and loved ones, and our staff. Your gifts designated for these renovations will help to make this vision a reality. Last, but certainly not least, estate gifts and bequests designated for the Benevolent Care Endowment Fund are helping us to realize the very important goal of providing a permanent source of funding to help meet the Benevolent Care need.

Your gifts have the power to make a real difference. And we celebrate that. Thank you for your continued generosity and support.

Gratefully,

The Rev. Lisa Dormire  
VP Fund Development

## | BENEVOLENT CARE *at* REDSTONE |

Benevolent Care is a central value of the Redstone Presbyterian SeniorCare tradition and holds that no resident who has appropriately stewarded his or her assets should be asked to leave because of depleted financial resources.

Prospective Redstone residents applying for independent living or supported levels of care must qualify financially based on income, assets, debt, age, and life expectancy. Yet even with the best planning, it is possible that a person may outlive their assets. But thanks to the promise of Benevolent Care, a resident who faces these difficulties

need not be afraid of losing the home that they have come to love. The Redstone promise is a promise for life.

If the resources of a resident in the skilled nursing facility are fully depleted, the resident may qualify for Medicaid. Medicaid payments, while very important, do not pay for the full cost of care and services at Redstone. In the case of these nursing care residents who have depleted their financial resources, Redstone forgives the difference between the full cost of care and the Medicaid reimbursement. Benevolent Care helps to ensure that residents

continue to live at Redstone and receive needed services regardless of their ability to pay. Last year, Redstone provided \$2.5 million in Benevolent Care to our residents in need.

Today's seniors have given their lives to provide us with the wonderful world in which we live today. We consider it an honor and a privilege to care for them in their final years of life. Gifts given to Redstone Highlands to support benevolent care express gratitude for all that they have done. Your gifts help us to provide exceptional care to those who truly deserve it.

# PROMISES KEPT CAMPAIGN

## Redstone Presbyterian SeniorCare takes the promise that it has made to its residents very seriously.

In order to continue improving the quality of services delivered to our residents and to strengthen our long-term position as the region's premier senior living community, Redstone has undertaken a comprehensive capital and endowment campaign.

### The campaign focuses on three key project areas:

- Build an Endowment for Benevolent Care, providing a permanent funding source to help meet the critical need for free care
- Provide funding for major renovations to the Harbor (Skilled Nursing Facility) in Greensburg, creating a more home-like neighborhood environment for residents
- Obtain Annual Fund support that provides critical unrestricted funding for Redstone's operations and ongoing Benevolent Care

Thanks to the earliest stages of the campaign, we are preparing to begin construction on renovations related to Phase I of the projects in Greensburg. Improvements to the front entrance area will soon be underway, including a new bistro, wellness center, and more welcoming lobby space. As we move forward with these initial improvements,

you will be hearing much more about Phase II of the campaign, which will relate to the next steps of enhancements for the Harbor.

A gift to the Promises Kept Campaign gives you an opportunity to make a gift that will truly change the lives of residents at Redstone. Please plan to join us with your gifts as we provide our residents with an exceptionally caring, secure, and lovely home in which to live out the rest of their lives. *To discuss naming opportunities or how you might support the projects of the campaign, please contact Lisa Dormire at 724-832-8400, Ext. 353.*

## FAITHFULNESS *in* SERVICE

Rev. Chuck MacPherson's relationship with Redstone Highlands began in the early 90s when he was a volunteer Chaplain. His love for Redstone grew fast, and he soon began serving on the Board of Directors. Over the years, he has volunteered many hours of his time in leading daily worship services and ministering to individual residents on our campuses. His faithfulness in service to the Redstone communities has been constant, a gift to many.

"I have had the honor to be associated with some extremely talented and gifted community leaders. Our administrators and board members have largely been people who have had wonderful vision for providing a safe, secure, and dignified life for those facing their future. In everything, there has been a personal touch," said Rev. MacPherson.

"Over the years, we have become more and more sophisticated in offering care. Our leadership developed ways of allowing people in our 'family' to remain in place in spite of health changes brought on by the process of aging. I was around when we added apartments

and then later, the two new campuses. As we added structure and enhanced care in order to increase our ability to serve, we were still in business for the residents. Our staff redefined skill and dedication, and I gained a new respect for their willingness to serve. Thanks to the faithfulness and creativity of board and administration, we have become the standard for Westmoreland County against which everyone else is measured. All I can say is in light of the end results, we have been blessed," explains Rev. MacPherson.

Rev. MacPherson leads chapel services at Redstone Highlands every month, and this allows him to meet and get to know many Redstone residents and employees. He refers to those people as "the best folks in the world" and considers many of them to be "friendships that will last forever."

Rev. MacPherson's family has also been part of the Redstone family in a very personal way. His wife Melinda's aunt, Stellamae Cramer, was in Personal Care where she was able to finish her days with dignity. She was one of the

early recipients of Benevolent Care, Redstone's commitment to residents that even if they should expend all of their personal financial resources, they will never be asked to leave their home in a Redstone Highlands Community.

Currently, Rev. MacPherson has many loved ones in the Redstone Highlands Communities. His mother currently resides at the North Huntingdon Colonial Estates community. Additionally, his aunt, Hope, is presently at the Greensburg campus along with several of his church members and dear friends. He also has friends and church members at the Murrysville Campus. Rev. MacPherson said, "Looking ahead, I have made the request of my friends that they should take care of the place. Someday, Melinda and I will be up the hall."

# AN HONOR ROLL *of* DONORS

## Current Residents:

We are grateful to all those current residents who give above and beyond to support Benevolent Care, Staff Appreciation, the special projects of the Promises Kept Campaign, and other initiatives. Your lives and your generosity inspire us.

As you read through the names of the donors listed in this publication, you will see a 🏠 beside some of those names.

This symbol indicates that the donor has made a special gift to the efforts of the Promises Kept Campaign.

We remember with gratitude those donors who passed away after making their gifts. Their names are marked with a "†" in the listing of donors.

## Friends:

The "Friends of Redstone" provide a backbone of support for all that we do. We are grateful to the former residents, the family members of current and former residents, the community leaders, and all those who simply believe in the Redstone mission, who have given generously. These gifts, along with your prayers and encouragement, sustain us.

## Board of Directors:

Redstone Highlands is blessed by the completely voluntary service of a creative and concerned Board of Directors. In addition to their time, members of the Board also make generous gifts to support Redstone's mission. Our thanks for all that they do cannot be expressed strongly enough.

Billboards expressing the active lifestyle enjoyed at Redstone are found throughout Westmoreland County.

## Current Employees:

Choosing to work in a non-profit setting is choosing a life of service. In addition to giving of themselves with the highest level of professionalism and compassion, many employees also make financial gifts in support of Redstone's residents and mission. Your service and your giving are inspiring to us all.

# Foundations, Corporations, and Organizations:

"It takes a village" to carry out the mission of Redstone Highlands. Support from churches, local organizations, businesses, and foundations help to make Redstone's mission possible in many ways. For this, we thank you.

## Memorial Gifts:

Many of the gifts that Redstone receives are given "In Memory" of a loved one, friend, neighbor, or colleague. We give thanks for the lives of all of those who have been remembered in this way. We also want to express our heartfelt thanks to those donors who have chosen to remember in a way that touches the lives of our residents.

*Printed in bold is the name of the person being remembered; donors are listed below the name.*

### **In Memory of Ms. Nellie M. Anderson**

Mrs. Eileen A. Clark  
Mr. and Mrs. Theodore A. Somes

## Gift-In-Kind Donations:

Throughout the course of the year, many non-cash gifts are given to Redstone. These gifts come in many forms, including:

- Items donated for auctions or raffles at the Spirit of Giving Gala
- Food products donated for various events
- Lovingly made lap robes and blankets
- Stocking stuffers for Harbor residents
- Special snack items for the staff at the holidays
- Furnishings of former residents
- Services by a variety of vendors

Each of these, and the many other Gift-in-Kind donations, touch and enrich the lives of everyone within the Redstone family. Thank you to all those who gave such gifts to support Redstone's mission.

# The Dorothy A. Toman Legacy Society

Dorothy Toman resided on the Greensburg campus from 1996 until the time of her death in 2001. Grateful for the care that she received, Dorothy made a substantial legacy gift to Redstone Highlands. In 2006, the Toman Legacy Society was established in her honor. Membership in the Society is open to anyone who has indicated that they have made a Planned or Estate Gift to Redstone Highlands.

*The previous lists include all Planned and Estate gifts of which we have been notified. If we have inadvertently omitted anyone who should have been included, we would like to correct this. If you plan to include Redstone in your legacy giving, please consider notifying us so that we can include you in future listings and events for the Toman Legacy Society. Please contact us at 724-832-8400, Ext. 353.*

# Touch the Future with Hope

## Become a member of the Toman Legacy Society

What kind of legacy do you want to leave... to those whom you love... to causes or organizations that you hold dear...to the world? Thinking creatively about your estate planning provides you with a meaningful way to express gratitude for what you have been given and to invest in the future of those persons or organizations that are important to you.

**There are many ways to leave a Legacy gift.** The easiest, is to have your attorney attach a **CODICIL** to your will that indicates simply that you wish to make a gift to Redstone Highlands. You may designate either a specific dollar amount, a percentage of your estate, or the residual of your estate. The language should say,

"I give, devise, and bequeath to Redstone Presbyterian SeniorCare

The sum of \$ \_\_\_\_\_

Or  
\_\_\_\_\_ % of my estate

Or

All the rest, residue, and remainder of my estate."

### Perhaps you would want to consider the following possibilities as you think about your legacy:

- Most of Redstone's Legacy Gifts do come in the form of a simple bequest. Some will use a codicil to indicate that they want to remember Redstone with a certain dollar amount in their will, or that they want to give a certain percentage of the residual of their estate once all of their obligations have been settled. Either way, this gift is a wonderful way to provide support for Redstone's residents.
- Although most Redstone residents live for many years after making their home here, some have unexpected health issues and pass away while a portion of their initial deposit remains. You may simply add a letter to your records here at Redstone indicating that if you pass away before your initial deposit has been depleted, that you would like to donate the residual.
- Some residents have chosen to make a Legacy gift by naming Redstone as the beneficiary of an insurance policy or a retirement account. This may also provide a positive tax benefit during your lifetime!
- Another way to provide yourself with a benefit during your lifetime is to establish a Charitable Gift Annuity. This may provide you with some tax savings, an income stream for the rest of your life, and an ongoing fund providing support to Redstone after your death.

Sometimes, efforts to be a good steward and to preserve our assets stand in the way of our desires to be as generous and charitable as possible to causes that we believe in. Planning for a Legacy Gift provides us with a wonderful opportunity to do good with our resources once we no longer have need of them. How joyous it is to plan for a legacy that has the potential to touch so many lives.

To talk more about the legacy that you want to leave, contact Lisa Dormire, VP for Fund Development at 724-832-8400 Ext. 353.

*The names listed in this Celebration of Giving all made gifts between July 1, 2012 and June 30, 2013. While we have made every effort to ensure the accuracy of this publication, mistakes do occur. Please advise us of any error so that we may correct our records.*

*Redstone Presbyterian SeniorCare is a 501 (c)(3) organization. All contributions are deductible to the fullest extent of the law.*

*The official registration and financial information for Redstone Presbyterian SeniorCare may be obtained from the PA Department of State by calling toll free, within PA, 1-800-732-0999. Registration does not imply endorsement. Redstone Highlands is operated by Redstone Presbyterian SeniorCare.*

## Could your gift be a double blessing?

If you or your spouse work for a company that provides matching gift opportunities, your gift to Redstone Highlands may be doubled or even tripled! Some companies even extend their matching gift programs to retirees. The following is a list of some of the companies that may provide such matching gift opportunities: AT & T, AK Steel, Allegheny Technologies, Aramark, ALCOA, Equitable Resources, Fisher Scientific, H.J. Heinz, Merck, Merrill Lynch, Peoples Gas, Prudential Financial, Sprint, PNC, PPG, Verizon, Westinghouse, Highmark, and others.

## MEETING *the* NEEDS of *the* COMMUNITY

*Pictured (L-R) – Vanessa Mangery, Jacque Bell, Geoff Gehring, Laura Malacki, and Joanie Faust*

A part of the Redstone Highlands mission is to help meet the changing needs of the community. In pursuing this mission, Redstone recognized a need for services that would allow residents to remain in their independent residences longer. Therefore, Redstone Highlands launched Senior Independence of Southwestern Pennsylvania (SISWPA), a non-profit community-based service organization.

Since 2010, SISWPA has been expanding steadily and obtaining necessary licensures for a variety of services. Just this year, SISWPA received its hospice license and Medicare certification.

“The addition of hospice care to our menu of services provides seniors the opportunity to receive continuity of care as they age in the place that they call home,” says Geoff Gehring, Assistant Vice President. The Hospice Care program helps to ease pain and discomfort for individuals while providing emotional and spiritual support to their families.

Senior Independence also provides affordable Home Care and Home Health programs to seniors in Westmoreland County. Home care services can be appropriate and affordable for long-term care, respite care, and everything in between. These services include

assistance with personal care tasks, light housekeeping tasks, and companionship.

Home health services include skilled nursing, physical therapy, occupational therapy, speech therapy, social work, and home health aides. These services must be ordered by the individual’s physician and are typically covered under hospitalization insurance, including Medicare.

It can be a difficult task to choose which services will work best for you or your loved ones, but the Senior Independence team is here to help! Call 724-864-7388 today for more information.
