

Redstone Highlands®
Communities

AN ANNUAL REPORT FOR JULY 1, 2013 – JUNE 30, 2014
AND A YEAR IN REVIEW FOR CALENDAR YEAR 2014

Message from the **CHAIRMAN & CEO**

Dear Friends,

We all know the feeling of dread as we're driving down the road and come across one of those bright orange signs... WORK ZONE AHEAD. We are immediately on alert for delays and frustrations. It is easy to overlook the positive changes that the work zone may be creating.

As we planned for a number of projects at Redstone Presbyterian SeniorCare, we realized that some work zone signage would be in order. Focusing on the positive enhancements that these changes would bring to our communities, we went with the slightly different signage that you see on the front of this Annual Report...**PARDON OUR PROGRESS.** It's all about perspective, isn't it?

This has been a year of tremendous progress for us at Redstone, both in bricks and mortar and in our service to our residents and the community. Here are the great accomplishments that were or will be finished by this year:

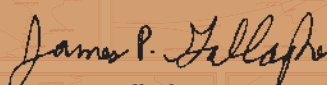

- *In September, Redstone was awarded with a five-year CARF CCAC (Commission on Accreditation of Rehabilitation Facilities / Continuing Care Accreditation Commission) Accreditation as an Aging Services Network. We were 4th in the state of Pennsylvania and 20th internationally to receive this accreditation! This is a huge accomplishment and milestone for Redstone.*
- *Renovations of public spaces in our healthcare center in Greensburg are currently underway, thanks to gifts given in Phase One of our Promises Kept Campaign. In March 2015, we look forward to celebrating the opening of a new Bistro which will offer enjoyable dining experience for our residents, employees, and guests. The central lobby and reception area will be reconfigured and a new wellness/rehabilitation space is being created.*
- *Highlanders gathering spaces are now completed on all of our campuses. The warm and welcoming settings provide enhanced lifestyle opportunities for our residents.*
- *Our Colonial Estates Villa Community continues to flourish on our North Huntingdon campus with 4 new homes under construction in 2014.*
- *26 members of Redstone's employee team have moved to a dedicated administrative office building on Mathews Drive. This has freed up space for other purposes at our Greensburg campus, while encouraging collaboration as our administration comes together for the first time under one roof.*
- *Senior Independence, Redstone's affiliate organization providing Home Care, Home Health, and Hospice continues to grow, making great progress as we seek to meet these needs for our residents and in the larger community.*
- *The development of Redstone's IDT (Inter-disciplinary Team) process has allowed us to better anticipate the changing needs of our residents in all three communities and support independent living for as long as possible.*
- *Once again, Redstone Communities experienced healthy occupancy rates. In fiscal year 2014, the average daily census was 93%. During this period nursing unit renovations began, necessitating pulling units offline for an average of five days per unit in order to make significant upgrades to the units.*

We hope that you will enjoy reading more about these areas of progress in the pages of this report. In a time full of much change and progress, one thing that remains constant is our gratitude for the support that you provide to Redstone Presbyterian SeniorCare in so many ways. As we reflect on the accomplishments of 2014, we want to take a moment to express our gratitude for your contributions to our work.

Together, we live out our mission to provide the highest quality of care for those whose care is entrusted to us. Thank you for your generosity and your partnership in helping to make this mission possible.

With Sincere Thanks,

John Dickson

OVERVIEW

Redstone Presbyterian SeniorCare served **1036** seniors during 2014. **498** total people were employed. Over **900** generous contributors made donations in support of the mission and vision. More than **300** volunteers helped to enhance the lives of residents. Over **4000** community members attended Redstone events.

Our Core Values

Truth
Teamwork
Respect For All
Quality
Life Balance
Lifelong Learning

Our Mission Statement

Redstone Presbyterian SeniorCare is a Christian, non-profit organization open to all faiths, that is dedicated to providing living alternatives and high quality services that help to meet the changing needs of the community.

Our Vision Statement

Redstone Highlands will be recognized as the premier provider of dynamic senior care services and programs in its service area.

Redstone Highlands will earn this position of trust and respect by consistent achievement of financially viable, well-managed facilities and services that insure high quality, healthy and caring environments in which to live, work and volunteer.

It's an acronym or word that most people wouldn't be familiar with. But here at Redstone, this became a very familiar term in 2014. CARF-CCAC stands for the Commission on Accreditation of Rehabilitation Facilities/Continuing Care Accreditation Commission. Informed consumers know that accreditation is a sign of quality and reputation. CARF accreditation is a sought after indicator when looking for a senior services provider.

Redstone first received accreditation through CARF in 2009. Because of the growth and changes in the organization over the past five years, the decision was made to seek accreditation as an Aging Services Network as part of the reaccreditation process in 2014. A task force was put together across the Redstone campuses to prepare for the CARF visit, with team members willingly embracing this assignment. Months were spent gathering data, reviewing policies, and preparing for the visit by the accreditation team in August. CARF International has surveyed hundreds of thousands of programs throughout North and South America, Europe, Africa, and Asia since it was founded as an independent, nonprofit accreditor in 1966. During the survey, Redstone had to demonstrate that it conforms to the over 1500 internationally recognized CARF standards.

Based on the results of the survey, CARF prepares a written report of the provider's strengths and areas for improvement. If a provider has sufficiently demonstrated its conformance to the standards, it earns CARF accreditation. We are proud

to announce that in September, Redstone Presbyterian SeniorCare has received a five year CARF-CCAC accreditation for the second time! Our 2014 accreditation as an Aging Services Network positions Redstone as the fourth (4) organization within the state of Pennsylvania to obtain this designation and only the twentieth (20) world-wide.

Attaining and maintaining CARF-accredited status requires a significant effort, strong teamwork, and a commitment at all levels of our organization to

providing quality services and enhancing the lives of the people we serve. Furthermore, an organization that earns CARF-CCAC accreditation is commended on its quest for quality programs and services. Redstone's accreditation comes in response to our continued efforts and commitment to providing quality services and programs that center on the satisfaction of those we serve – a public sign of the progress being made as we live out our mission of care.

HIGHLANDERS

A WELCOMING GATHERING SPACE

As Redstone Highlands continues to explore ways to enhance the lifestyle options available to our seniors, a new idea was developed. Creating a pub lounge area would offer a new gathering space for residents, create an atmosphere for socialization and provide a marketable lifestyle option.

Our Murrysville community was the first to undergo this transformation in December of 2012 and the first Highlanders was open for business. North Huntingdon followed in 2013, and in June of 2014 our Greensburg community hosted its Grand Opening event.

Each Highlanders features a bar, lounge seating, large TV's and a warm and welcoming ambience. The pub setting is perfect for the traditional Happy Hour and Social Hour events that our residents

have historically enjoyed, but many other activities and events are hosted in these new spaces as well. The versatility of the spaces allows for a pub-like setting in which we can serve both alcoholic and non-alcoholic beverages, as well as presenting a coffee house feel. Wine Tasting, Murder Mystery Events, Steeler Parties, Men's Grill, Cooking Demonstrations, Coffee Chat, Poetry Readings and Card Clubs are just a few of the diverse events enjoyed in the Highlanders.

Not only are our residents enjoying the new enhancements, but the Highlanders has proven to be a popular location for our marketing clubs to meet, providing a wonderful opportunity to showcase our Redstone Highlands communities. And since Highlanders never closes, residents and their guests are free to utilize the amenities to enjoy a cup of coffee and some conversation any time.

Most recently, our Murrysville campus obtained a limited use liquor license which allows the sale of beer and wine in the dining room as well as at select Highlanders Happy Hour events. We look forward to being able to offer this service at our North Huntingdon and Greensburg communities in the future.

Although much of the emphasis on “progress” in this publication is about bricks and mortar, Redstone Presbyterian SeniorCare is often at the forefront of progress as it relates to processes, too. One successful area of progress at Redstone has been the establishment of the IDT (Interdisciplinary Team).

Progress of a Different Sort: ***THE IDT PROGRAM AT REDSTONE HIGHLANDS***

As Independent Living residents age in place, challenges often arise requiring supportive services. As an organization, Redstone supports the resident's desire to remain in an independent setting and recognizes that the need exists to provide services in the resident's preferred location, rather than require the resident to move to a higher level of care. As a result, the IDT (Interdisciplinary Team) process was implemented.

Each of the three Redstone campuses holds a weekly IDT meeting attended by a full team of staff members including the Vice President of Quality Services, the Campus Director, representatives from Activities, Dining Services, Rehabilitation, Maintenance, Housekeeping, Senior Independence, and others. These meetings provide the team with an opportunity to discuss residents who are experiencing challenges to remaining independent, those who are in need of a higher level of service, those who are currently hospitalized or in rehabilitation, and the needs of new residents.

Outcomes are measured and analyzed in a variety of ways: a quarterly analysis report provides the team with trends in the community and, over time, demonstrates that the team has proactively been able to provide the right services to the residents to maintain independence. One noted trend is that the leadership in the communities are now very rarely caught off guard by the changing needs of Independent Living (IL) residents. This proactive approach has led to better planning regarding moves to Personal Care.

Individual outcomes are also measured weekly via these IDT meetings. Minutes are maintained to allow for week-to-week progress of an individual. Based on the progress and evaluation, adaptations of services are made to assist the resident to maintain the highest level of function in the least restrictive environment. The IDT team provides families with routine updates and also seeks family input prior to the initiation of any services. Family input is also critical when the recommendation of the team is a move to a higher level of service.

The IDT team also reviews those residents who have recently completed their annual Senior LifeSteps evaluation. This program is administered by Senior Independence clinical staff members who have been trained to conduct the assessment. The assessment is conducted for every IL resident shortly after move in and annually thereafter. This provides a baseline of function and an annual review. Assessments are also conducted at the request of the IDT team if a change in status has been noted.

The assessment is used to provide data to the IDT team regarding the resident's level of independence. If areas of concern are identified during the assessment, it is reviewed with the resident and his/her family.

The innovation of the IDT process is improving quality of life and service at Redstone. Residents are able to remain independent in their apartment setting longer, leading to increased resident and family satisfaction within a safe and supportive environment.

Progress at Colonial Estates

Our villa community in North Huntingdon experienced continued development this past year. Currently 19 villa homes make up the Colonial Estates' neighborhood. Richland Properties, LLC, has four additional villas under construction with completion anticipated in early spring of 2015.

As our fiscal year closed, Colonial Estates had a total of 32 residents with seven more scheduled to move in once their homes are completed. Residents hail from Pennsylvania, Massachusetts, Ohio, Michigan, Virginia and Texas. Their backgrounds and interests are as diverse as their reasons for moving into the community.

As the community continued to develop, the variety of activities broadened to reflect the interests of the residents. This past year residents, and a few guests, enjoyed an overnight trip to Lancaster as they ventured to the Sight and Sound Theatre to see Jonah. A Women's Group was formed and a resident-run Parkinson's Group was created. This summer several residents built remote-controlled boats as the Boat Club was launched. The season included our first Regatta and plans for next season are already underway.

With its well-appointed Clubhouse, Colonial Estates hosted several clubs and special events that were open for the public to enjoy. Activities on campus included Yoga, Tai Chi, Zumba, Card Club, Book Club, Grief Support, Golf Clinics and a host of educational, cultural and entertaining speakers at the monthly Lunch Bunch. Annual events included the Spring Fashion Show, Wine and Jazz Event and the Norwin Art League's Art Exhibit. Our first Car Cruise was well attended this year and plans are being made to make it an annual event.

To learn more about our villas please contact Brittany at 724-864-1429

Redstone
Colonial Estates

Dear Friends,

It is hard to believe that I have been doing fundraising work for almost a quarter of a century (Proof positive that God has a strange sense of humor). In recent years, this work has really changed. I'm not sure if I would call it progress.

The "Great Recession of 2008" set off a decline in charitable giving for the first time in decades. Fortunately, as the economy has improved, gifts are once again on the rise on a national basis. Changes in the tax code, including the lowering of the threshold for inheritance taxes, have also had an impact on estate gifts.

The biggest changes that I have witnessed have occurred in the past two years. Until recently, gifts of support for a particular person or project, regardless of whether or not they are a non-profit entity, were mostly unheard of. Not anymore. "Crowd Funding" is the new way of giving as web sites like Kickstarter, Go-Fund-Me, and the like provide opportunities for one person to give to another, whether or not there is the benefit of a tax deduction! Progress? Only time will tell.

This new way of giving reminds us of the reality that people give to people. We want to know that our gifts are making a difference in the lives of real people... people whom we care about. A gift to Redstone Presbyterian SeniorCare provides our supporters with an opportunity to do just that. Your gifts listed on the pages of this report, be they large or small, are gifts to real people. People like Evelyn, Bob, Norma, Bill, Anne.... beloved residents of Redstone. Very real people who need our care and support to live out their years here in this place they have come to call home.

Giving to Redstone has always been about supporting real people. It may be the latest and hottest trend in philanthropy... but we just call it LOVE.

Thank you for your love and support for our residents.

Gratefully,

Lisa Dormire

VP Fund Development

"It may be the latest and hottest trend in philanthropy... but we just call it LOVE."

The Non-Profit Difference

Peter Drucker, a leading management consultant, characterized not-for-profits as one of three major institutions in America, the others being government and business. His publication, *Managing the Nonprofit Organization*, suggests that government's role is to protect and oversee, and the role of business is to generate an economy. "The role of not-for-profits, as one of three major institutions in America, is nothing less than to change lives." As a non-profit, Redstone's commitment to providing Benevolent Care to residents in need is at the heart of who we are and how we serve the community. The "Redstone Promise" is clear: When, through no fault of his or her own, a resident's personal financial assets are depleted, Redstone continues to provide a home for life for that resident. Last year, Redstone provided nearly \$2.5 million in free care to residents in need.

Benevolent Care is provided for residents in two distinct categories. Direct Benevolent Care is provided to those residents living in Independent and Supportive levels of care on our Redstone campuses. This assistance comes in the form of a reduced monthly service charge, based on the resident's current income. Approximately half of the benevolent care provided at Redstone falls in this category. Indirect Benevolent Care, making up the other half, is provided to residents in the Harbor (Healthcare Center) in Greensburg. When residents are unable to pay for a private pay daily rate, the difference between the reimbursement paid by Medicare or Medicaid is forgiven.

Through Redstone's affiliate organization, Senior Independence (SI) blood pressure screening checks and opportunities to talk with a nurse are provided free of charge on a regular basis. These services are provided not only to residents in Redstone communities, but in settings within the larger community. In the past year, SI has provided screenings at Redmont Village, Pershing Square, and the Norwin Resource Center.

Redstone also serves the region by inviting the community to enjoy its facilities for a variety of programs. Crochet Club, Fashion Shows, Mah-Jongg, Tai-Chi, Yoga, Model Boat Club, Lunch Bunches and many other programs provide opportunities for the region's seniors to participate in healthy physical and social activities. In addition, groups like the Red Hat Society, Parkinson's Support Group, Card Clubs, Retiree Clubs,

“The role of not-for-profits, as one of three major institutions in America, is nothing less than to change lives.”

and Arts programs enjoy hosting their events in Redstone facilities.

Each year, Redstone selects several charities or organizations upon which to focus the efforts of the "Redstone Gives" Program. In 2014, the charities of choice include the American Heart Association, American Cancer Society, the Alzheimer's

Association, Westmoreland County Food Bank, and the Humane Society of Westmoreland County. Teams of staff members and residents on each campus organize bingos, bake sales, donut sales, raffle sales, etc. to raise money for these charities. Two food drives annually collect hundreds of items for the Food Bank. Staff on the North Huntingdon campus made beautiful bracelets this year to support the American Cancer Society. Supporting these charities helps to create the culture that truly is a "Redstone" community.

Redstone affirms Lifelong Learning as one of its core values, and this commitment is another way in which the larger community is supported. Redstone employees can take advantage of a tuition reimbursement program which allows them to advance their education in ways that might not otherwise be affordable. Furthermore, Redstone helps to teach high school students through the "Transition WORKS!" Program sponsored by Goodwill Industries

of Southwestern Pennsylvania. This program allows qualified high school students to work with a job coach to prepare for a transition into the workforce.

We have served 22 students this year in the Transition WORKS! Program at our Greensburg and North Huntingdon Communities.

The students come from schools in Westmoreland and Allegheny Counties. The current districts include Hempfield, Greater Latrobe, Penn Trafford, Norwin, Yough, and South Allegheny.

The students can attend either for a half day (3 hours) or for a full day (6 hours). They work on a 9-week rotation, changing jobs every grading period. Some of the students' favorite jobs are dietary, maintenance, housekeeping, materials management, and rehab. The students have some input into which jobs they choose, but they are encouraged to step outside their comfort zone and try new things. Redstone employees are encouraged to treat the students as they would any other employee.

Redstone continually offers its leaders ongoing educational opportunities related to management. All of Redstone's employees are required to be certified in CPR and participate in refresher courses on a

regular basis. The region is a safer place because of these CPR-prepared Redstone employees!

A commitment to volunteerism provides an additional element of Redstone's community service. The lives of our residents at Redstone are enriched by the efforts of volunteers who make friendly visits, bring pets for pet therapy, lead worship in chapel, assist with a variety of activities and transportation, serve in our gift shops, etc. Still others give very freely of their time and knowledge serving as members of our Board of Directors and on a variety of committees. Without the hours of service provided by over 300 volunteers, Redstone would be unable to offer such an exemplary quality of life and care.

The presence of Redstone Highlands, its residents and employees, has a huge impact on the economy in the region. Our residents shop, dine, and make use of healthcare providers and facilities in the area. Ninety

percent of Redstone employees live in Westmoreland County, making this workforce a major contributor to the economy through their purchasing power and taxes paid to local municipalities.

Through generous programs of Benevolent Care, the Redstone Gives Program, supporting local charities, sharing of facilities, commitment to educational programs, a dedicated corps of volunteers, and a strong consumer workforce, Redstone lives out its commitment as a non-profit dedicated to the service of the larger community. We are in the business of changing lives... on our campuses and beyond!

Exciting Growth

SENIOR INDEPENDENCE®

Senior Independence of Southwestern Pennsylvania (SI) continues to experience exciting growth as the home and community-based provider within Redstone Highlands.

The Hospice division received initial Medicare certification to add this service to the greater variety of programs. The Home Health department maximized the internal market in the continuum and has expanded with external partnerships, with revenues exceeding the one-million dollar mark. All of this progress allows for the original mission for high-quality care to be extended to seniors throughout Westmoreland County and not just limited to the local campuses.

The collaboration of care between Redstone Highlands and Senior Independence was verified by the five-year accreditation received from CARF/CCAC (Commission on Accreditation of Rehabilitation

Facilities / Continuing Care Accreditation Commission) as an Aging Services Network. Their unique care management system was identified as an exemplary program. This recognition elevates the entire program as the premier provider for long-term living and post-acute services in the region.

Senior Independence currently has over fifty employees on staff ranging from Personal Care Aides to Registered Nurses, up from only ten at inception in 2011. All of these positions have been able to be added because of the consistent census that has been stabilized with a business model. To further support this growth, SI added Karen Rose in a newly created Executive Director position in 2014. She brings over twelve years of non-profit senior management experience in this region. This role will allow for an increased focus on strategic planning and partnerships to enhance operations.

2014

OUR YEAR IN REVIEW

1 In February, a Bingo event was held to raise funds for the American Heart Association as part of the Redstone Gives program. This program is one of the many ways that Redstone Highlands gives back to the larger community. There are committees on each campus that meet monthly and plan fundraising activities for six organizations that are selected by Redstone's residents and staff. This year's organizations included the Westmoreland County Food Bank, the American Heart Association, the Alzheimer's Association, the American Cancer Society, the Humane Society, and the

Benevolent Care Fund. 2014 marked the fourth year for Redstone Gives, and over \$8,000 was raised for the charities.

2 The Big Event is held every spring on each of our Redstone campuses. The event brings entertainment, food, and games to our residents based around a specific theme. This year's theme was "Lights, Camera, Action."

3 On May 15th, the Chairman's Appreciation Luncheon was held at Ferrante's Lakeview in Greensburg, PA. This luncheon provides Redstone with an opportunity to say "thank you" to our volunteers, our most generous donors, and those who belong to the Toman

Legacy Society. Additionally, President and CEO John Dickson (*pictured left*) and Board Chair James Gallagher (*pictured right*) presented the Chairman's Appreciation Award to this year's honorees, Arthur and Sheila Caramella.

4 Murrysville employees Karen Papay, Chelsea Wolfe, and Therese Saunders dressed in themed attire on "Decade Day" during our 2014 Homecoming Week. This special week of activities is endorsed and encouraged by LeadingAge, an association of not-for-profit organizations dedicated to making America a better place to grow old. LeadingAge invites

organizations like Redstone to host celebrations on our campuses during the last week of May. These celebrations are an opportunity to highlight the positive contributions that Redstone makes to its surrounding communities.

5 Redstone Colonial Estates launched the Remote Control Boat Club this year. The club met every Friday afternoon over the summer and will resume this spring. Participants enjoyed food, conversation, and running their boats during these pond-side club meetings.

6 The Greensburg campus opened Highlanders on June 27th. Each campus now has one of these special social areas where residents, family, and friends come to gather. Resident Gilfert Mihalich and Executive Director Kim Kelly cut the ribbon to inaugurate the opening.

7 On July 13th, the Presbytery of Redstone and Redstone Highlands Communities held the ordination of Rev. Rebecca Siddle, Chaplain of our Murrysville Campus. Redstone employees and residents attended

the event in the Brooks Chapel along with Rebecca's family and friends. We were honored to have shared this special day with her. Congratulations to Rebecca!

8 The third annual Dove Recognition Banquet was held for Redstone Highlands and Senior Independence employees on September 9th at the Delmont Volunteer Fire Department. The evening included dinner, prizes, and recognition of employees who go the "extra mile" for our residents.

9 Redstone Highlands Communities was named one of the Pittsburgh Post Gazette's 2014 Top Workplaces! What a wonderful evening it was on October 1st when John Dickson, President and CEO, and Jim Hodge, VP of Human Resources, accepted the award on behalf of Redstone!

10 The Fund Development department held a "Mini Fling" on each Redstone campus to bring elements of the 2014 Highlands Fling fundraiser to our residents and staff! Since the theme of this year's event was "A Night at the Castle," photo

booth props and crowns were taken to each campus for our residents to enjoy a fun photo op!

11 In 2014, Redstone acquired a building to be utilized for its corporate offices and administration. The Chapel Hill Professional Building is located approximately a quarter mile away from the Greensburg campus. The departments of Administration, Finance, Fund Development, Marketing, and other various directors are housed here. On December 18th, residents, employees, and friends of the community were invited to the dedication of these offices at the Holiday Open House.

12 On Saturday, December 13th, the Greensburg campus hosted "A Morning with Santa" event that was open to the public. Guests enjoyed a complimentary photo with Santa, a take-home craft, pastries, coffee, and hot chocolate. Many employees and residents took this time to get their photo taken with Santa!

AN HONOR ROLL *of* DONORS

Current Residents:

We are grateful to all those current residents who give above and beyond to support Benevolent Care, Staff Appreciation, the special projects of the Promises Kept Campaign, and other initiatives. Your lives and your generosity inspire us.

As you read through the names of the donors listed in this publication, you will see a “” beside some of those names.

This symbol indicates that the donor has made a special gift to the efforts of the Promises Kept Campaign.

We remember with gratitude those donors who passed away after making their gifts. Their names are marked with a “†” in the listing of donors.

Friends:

The “Friends of Redstone” provide a backbone of support for all that we do. We are grateful to the former residents, the family members of current and former residents, former employees, the community leaders, and all those who simply believe in the Redstone mission, who have given generously. These gifts, along with your prayers and encouragement, sustain us.

Board of Directors:

Redstone Highlands is blessed by the completely voluntary service of a creative and concerned Board of Directors. In addition to their time, members of the Board also make generous gifts to support Redstone's mission. Our thanks for all that they do cannot be expressed strongly enough.

Redstone billboards are found throughout Westmoreland County.

Memorial Gifts:

Many of the gifts that Redstone receives are given “In Memory” of a loved one, friend, neighbor, or colleague. We give thanks for the lives of all of those who have been remembered in this way. We also want to express our heartfelt thanks to those donors who have chosen to remember in a way that touches the lives of our residents.

Printed in bold is the name of the person being remembered; donors are listed below the name.

Gift-In-Kind Donations:

Throughout the course of the year, many non-cash gifts are given to Redstone. These gifts come in many forms, including:

- Items donated for auctions or raffles at the Highlands Fling
- Food products donated for various events
- Lovingly made lap robes and blankets
- Stocking stuffers for Harbor residents
- Special snack items for the staff at the holidays
- Furnishings of former residents
- Services by a variety of vendors

Each of these, and the many other Gift-in-Kind donations, touch and enrich the lives of everyone within the Redstone family. Thank you for your generosity.

Current Employees:

Choosing to work in a non-profit setting is choosing a life of service. In addition to giving of themselves with the highest level of professionalism and compassion, many employees also make financial gifts in support of Redstone's residents and mission. Your service and your giving are inspiring to us all.

The Dorothy A. Toman Legacy Society

Dorothy Toman resided on the Greensburg campus from 1996 until the time of her death in 2001. Grateful for the care that she received, Dorothy made a substantial legacy gift to Redstone Highlands. In 2006, the Toman Legacy Society was established in her honor. Membership in the Society is open to anyone who has indicated that they have made a Planned or Estate Gift to Redstone Highlands.

Legacy Gifts Received

The Estate of Mr. Elroy Albright
The Estate of Ms. Lois J. Anderson
The Estate of Ms. Margaret V. Baker
The Estate of Mrs. Marion Bartoletti
The Estate of Ms. Ruth Beemer
The Estate of Ms. Martha Anne Brown
The Estate of Ms. Sara Hunter Brown
The Estate of Ms. Mildred Cadzow
The Estate of Donald and Margaret Carroll
The Estate of Ms. Jennie Cramer
The Estate of Clarence R. Drylie

Mr. and Mrs. John N. Brenzia
Ms. Mabel Carlin
Mr. and Mrs. Duane A. Daniels
Mrs. Sylvia Dennison
Mrs. Linda Feightner
Mrs. Jean R. George
Mrs. Annetta P. Hall
Mr. and Mrs. C. Walter Keibler
Mrs. Marjorie M. Landfried
Mr. Edward and Mrs. Louise Landini
Mrs. Donald Machesney

Touch the Future with Hope

Become a member of the Toman Legacy Society

What kind of legacy do you want to leave... to those whom you love... to causes or organizations that you hold dear...to the world? Thinking creatively about your estate planning provides you with a meaningful way to express gratitude for what you have been given and to invest in the future of those persons or organizations that are important to you.

There are many ways to leave a Legacy gift. The easiest, is to have your attorney attach a **CODICIL** to your will that indicates simply that you wish to make a gift to Redstone Highlands. You may designate either a specific dollar amount, a percentage of your estate, or the residual of your estate. The language should say,

"I give, devise, and bequeath to Redstone Presbyterian SeniorCare

The sum of \$ _____

Or

_____ % of my estate

Or

All the rest, residue, and remainder of my estate."

Perhaps you would want to consider the following possibilities as you think about your legacy:

- Most of Redstone's Legacy Gifts do come in the form of a simple bequest. Some will use a codicil to indicate that they want to remember Redstone with a certain dollar amount in their will, or that they want to give a certain percentage of the residual of their estate once all of their obligations have been settled. Either way, this gift is a wonderful way to provide support for Redstone's residents.
- Although most Redstone residents live for many years after making their home here, some have unexpected health issues and pass away while a portion of their initial deposit remains. You may simply add a letter to your records here at Redstone indicating that if you pass away before your initial deposit has been depleted, that you would like to donate the residual.
- Some residents have chosen to make a Legacy gift by naming Redstone as the beneficiary of an insurance policy or a retirement account. This may also provide a positive tax benefit during your lifetime!
- Another way to provide yourself with a benefit during your lifetime is to establish a Charitable Gift Annuity. This may provide you with some tax savings, an income stream for the rest of your life, and an ongoing fund providing support to Redstone after your death.

Sometimes, efforts to be a good steward and to preserve our assets stand in the way of our desires to be as generous and charitable as possible to causes that we believe in. Planning for a Legacy Gift provides us with a wonderful opportunity to do good with our resources once we no longer have need of them. How joyous it is to plan for a legacy that has the potential to touch so many lives.

To talk more about the legacy that you want to leave, contact Lisa Dormire, VP for Fund Development at 724-832-8400 Ext. 353.

Could your gift be a double blessing?

If you or your spouse work for a company that provides matching gift opportunities, your gift to Redstone Highlands may be doubled or even tripled! Some companies even extend their matching gift programs to retirees. The following is a list of some of the companies that may provide such matching gift opportunities: AT & T, AK Steel, Allegheny Technologies, Aramark, ALCOA, Equitable Resources, Fisher Scientific, H.J. Heinz, Merck, Merrill Lynch, Peoples Gas, Prudential Financial, Sprint, PNC, PPG, Verizon, Westinghouse, Highmark, and others.

For more information contact Lisa Dormire, VP for Fund Development

The names listed in this Celebration of Giving all made gifts between July 1, 2013 and June 30, 2014. While we have made every effort to ensure the accuracy of this publication, mistakes do occur. Please advise us of any error so that we may correct our records.

Redstone Presbyterian SeniorCare is a 501 (c)(3) organization. All contributions are deductible to the fullest extent of the law.

The official registration and financial information for Redstone Presbyterian SeniorCare may be obtained from the PA Department of State by calling toll free, within PA, 1-800-732-0999. Registration does not imply endorsement. Redstone Highlands is operated by Redstone Presbyterian SeniorCare.
