

IT'S TIME TO CELEBRATE!

Gift giving and account pre-funding are quick and easy with a PS Salon & Spa Celebration Account!

Celebration Accounts allow residents, families and friends to easily manage payment options, set up automatic fill-ups when the balance drops below a pre-determined amount, and, for the first time, earn rewards in the salon!

Residents can easily add funds to their account either online or in the salon and earn exclusive rewards with each salon visit! And because our residents are extra special, we'll also add a special gift to your account to celebrate your birthday!

Family and friends can easily purchase salon and spa gifts in any dollar amount and every gift is immediately available in our salon at your community. Add additional funds any time for the peace of mind and joy of providing your loved one with the services they love!
