

Dear Fellow Adventurers,

We are exciting to announce an exciting cruise option to our 2024 travel itinerary! While most of our Redstone Goes travelers are 55 and better, all ages are welcome to participate in this cruise. We have reserved a group block on Royal Caribbean's Vision of the Seas for a New England and Canada 9-night cruise, departing on September 5, 2024. This will allow for lots of time to make payments over the next year to make the cruise as affordable as possible! Here's a few things to know about this adventure:

## Reservations

Your cruise reservations and payments will be made directly to travel agent, Sherry Murtaugh. To book your reservation, contact Sherry at 724-972-8118 or [smurtaugh726@verizon.net](mailto:smurtaugh726@verizon.net). The trip deposit is \$500 per cabin and final payment date is **May 24, 2024**.

## Transportation

We will be arranging for deluxe motor coach transportation from our North Huntingdon campus, to the cruise port in Baltimore and back. This roundtrip transportation is required for travelers of our cruise excursion and will provided at a cost of \$175.00 per person. Contact Lisa Dormire, VP of Mission Support at Redstone, at [ldormire@redstone.org](mailto:ldormire@redstone.org) or 724-832-8400 ext. 3353 to make those arrangements.

## Pricing

Pricing includes 9-night cruise, taxes, fees, port expenses, pre-paid gratuities, and travel protection. Cruise meals and activities are included, but alcohol and excursions will be additional. Royal Caribbean offers fantastic children's programming, which is included in the price of the cruise. Individual cabin size and pricing can be found on the next page.

## Excursions

We will schedule a private optional Redstone excursion in each of our port cities. These excursions will be "right-paced" for our Redstone Goes travelers and, as always, we will keep the costs as low as possible. Information about these excursions will be provided later this summer. We promise there will be lighthouses, lobster, and an opportunity to see the amazing tides at the Bay of Fundy!

## Medical Accommodations

Cruise ships are huge, and mobility devices are welcome. Please let us know if you will be bringing a motorized mobility device, oxygen, or other medical equipment so that we can make sure that we have space to accommodate this. If you have any questions or concerns, feel free to reach out to Lisa Dormire, VP of Mission Support at Redstone, at 724-832-8400 ext. 3353 or [ldormire@redstone.org](mailto:ldormire@redstone.org).
