## Redstone Wishing Well Program

Granting Wishes & Creating Meaningful Experiences for our Residents

A Wishing Well we thought would be great...

...And this is how you participate.

Submit the request into the well...

...Shhh, the resident, please do not tell

Surprises like these are better when...

...Someone isn't expecting them.

# Our History

Redstone Highlands is happy to carry on the tradition of the Wishing Well Program which was established in 2005.

Some of the wishes granted over the years have been:

\_\_\_\_\_

A ride in the sidecar of a motorcycle

\_\_\_\_\_

A fishing trip to Twin Lakes

\_\_\_\_\_

A daytrip to a family lake home

\_\_\_\_\_

A shopping trip to the Dollar Store

\_\_\_\_\_

A trip to the movies and many more...

## Some restrictions may apply.

The Wishing Well Program has limits and high standards of safety.

Therefore, HIGH-risk dreams such as skydiving, white water rafting, stock car racing, etc. will not be provided.

Program resources are also limited.

Our desire is to fulfill a wish for as many residents as possible. Therefore HIGH-end dreams such as vacations, safaris, diamonds or furs will be forwarded to Santa Claus.

## Guidelines for Granting Wishes:

1. One wish per resident will be granted, so that we are able accommodate as many wishes as possible.
2. Please remember we are working with limited funds, so wishes will be granted on a case by case basis.
3. Be aware that some wishes cannot be granted due to family or doctor discretion, time restraints, or limited funds.
4. Some wishes will take longer to plan, please allow adequate time between nomination and wish fulfillment.
5. Keep in mind you may nominate a resident for a wish and they have the right to refuse.
6. Special food/meal requests will go through Cura, as they are the sole provider for meal time activities. If they are unable to accommodate the wish, it will then go to the wishing well team for evaluation to see if it meets the criteria for a wish.
7. If Redstone has access to the items in the wish through activities or another department, that is how the wish will be granted, rather than purchasing new items or materials.
