

An Erie-ly Wonderful Adventure!

**Redstone Goes Trips
Presents: Erie, PA &
Niagara Falls, NY
August 4 - 6, 2025**

Join us for an adventure just slightly north of home! We will depart the Redstone North Huntingdon campus at 7 am on Monday, August 4th, and will make our way to Erie, PA. Upon arrival we will check out the beaches of Presque Isle State Park, including a stop at the historic lighthouse. Rather than climb the steep stairs at the lighthouse, we will also make a stop at the Port Erie Bicentennial Tower where an elevator can whisk us to the top to enjoy the view. Admission included. We will stop for lunch on your own at the famous Sara's of Presque Isle for yummy sandwiches and ice cream. In the afternoon you may elect to enjoy a visit to the Erie Zoo for an additional fee, or enjoy some rest time at the hotel. For dinner we will enjoy a sunset dinner cruise on the Victorian Princess Paddlewheel Boat as we enjoy some time on the lake. Bring your dancing shoes for after dinner!

Tuesday morning enjoy breakfast at the hotel before we depart for Niagara Falls at 8:30 am. A step on guide will join us for the day upon our arrival in Niagara Falls, NY. We will enjoy riding on the Maid of the Mist, Cave of the Winds, and other sites. Our guide will make some suggestions for lunch on our own, and we will have some time for shopping before our departure. We will leave Niagara Falls in time to enjoy a sunset dinner on our way back to Erie for the night. (We will be staying in the same hotel both nights)

On Wednesday morning we will depart the hotel at 9 am and make our way to the Grove City Outlets. You will have approximately four hours of shopping and dining time to enjoy on your own, including the Wendell August Forge flagship store and history center. We will depart at approximately 3 pm to make our way back to Redstone.
