

A Galentine's Celebration

**Join Redstone Goes Trips and Tours for our
second annual Galentine's Celebration!
Thursday, February 13, 2025**

A relatively new trend, Galentine's is observed on Valentine's eve and is a chance for women to celebrate the importance of friendship with women.

This year we will leave from Redstone North Huntingdon at 1:30 pm and make our way to the Frick Mansion and Museum in Pittsburgh where we will enjoy strolling about on our own. Later we will make our way to the Edgewood Country Club for a delightful dinner with choices of Chicken in Herb Sauce, English Cod, and Vegetable Wellington followed by a Lemon Layer Cake. After dinner we will again enjoy our Galentine's Gift Exchange. Please plan to bring a gift with a value of less than \$10 to exchange that evening.

The price of \$125 includes bus transportation, Frick Admission, and dinner at Edgewood Country Club.

A \$50 deposit will hold your spot but only 28 spots are available. Call Justin at 724-832-8401 X 3378 to reserve your spot!
