

Galentine's Goes Wicked!

**Redstone Goes Trips and Tours presents:
Dinner at the Grand Concourse and
Orchestra Seats for Wicked
Galentine's Day: Friday, 2/13/ 2026**

For the past few years Redstone has celebrated "Galentine's Day" with a special outing. Galentine's Day is a recent cultural phenomenon where women celebrate their women friends on Valentine's Eve. This year we are combining this day with a very special outing! (And with our apologies, since this is our annual Galentine's event, gentlemen will have to sit this one out.)

We will depart Redstone North Huntingdon at 3:30 pm and make our way to the Grand Concourse in Station Square. You will enjoy your pre-selected dinner from choices of sirloin steak, lemon chicken or bronzed salmon. A vegetarian option is also available. Dinner will include a soup course, dessert, coffee, tea, or iced tea.

At dinner, those who wish to participate are encouraged to bring a grab bag gift item with a value of no more than \$10, and we will do a fun Galentine's gift exchange. No worries, you can leave your gift on the bus when you go to the show.

After dinner our coach will whisk us to the Benedum where we will enjoy orchestra seating for the Broadway classic blockbuster, Wicked. After the show, we'll make our way back to Redstone.

Price for motorcoach, dinner, theater ticket, and gratuities is \$245 per person. To reserve your spot, call Gia at 724-832-8401 X 3378. It's going to be a wickedly good time!
