

Redstone Goes to Sight & Sound to see Joshua!

Tuesday, August 18, 2026

The spectacular Sight and Sound Theater in Lancaster, PA is launching a brand-

new on-stage production in 2026, and we have secured great tickets! The story of Joshua is one of the most redemptive stories of the Bible. The production promises to take the audience on a miraculous journey from the banks of the River Jordan to the towering walls of Jericho for an unforgettable look at this famous Bible story. As always, Sight and Sound will incorporate special effects, live animals, and powerful music in this production.

We have usually made our trips to Lancaster an overnight trip, but by popular request we are trying a one-day experience this year. We will depart Redstone North Huntingdon at 7 am on Tuesday, August 18th and after making a rest stop halfway, will arrive at the Bird-in-Hand dining and shopping area. Your day will include the famous smorgasbord lunch. At 1:45 pm we will make our way to the theater for the 3 pm show. At the conclusion of the show, we will make our way back to Redstone, stopping at the Sideling Hill Service Plaza on the way home to get something to eat on your own. We anticipate arriving back to Redstone by around 10:30 pm.

The cost for this full day, including motorcoach, driver gratuity, smorgasbord lunch, premiere level orchestra level show ticket is \$250 per person. Proceeds will benefit charitable care programs at Redstone. To save your spot for this popular trip, call Gia at 724-832-8401 x 3378. A \$10 non-refundable deposit will hold your spot.
